## Governor's Message

Dear Fellow Rotarians,

Spring is in the air, and you can feel it in Rotary, as everyone is enjoying the weather and scheduling service projects. I was involved with a few clubs in road cleanups that made me very proud to call myself a Rotarian, and for all those clubs who made a difference in their communities, I thank you.

As I look at my year, it's coming close to the end. I have mixed emotions about my year being over, but happy about everything we have accomplished. We will continue to focus on "Rediscovering Rotary" as we finish out the year. I'd like to take this opportunity to thank all those clubs that included me in their service projects, end-of-the-year functions, and everything associated with their clubs. As I've said all along, clubs are the foundation of any strong district, and I feel our district is very strong.

May is Rotary's Youth Service Month. Our Youth Service Avenue of Service recognizes just how important it is to empower youth and young professionals through leadership development programs such as [Interact](#). In 2022, nearly half a million Interactors embodied Service Above Self by taking on projects that supported their schools and communities. Support Interactors by sharing the [Interact Handbook: A Guide for Interactors](#) or by connecting them with [Rotary Youth Leadership Awards \(RYLA\)](#) and [Rotary Youth Exchange](#).

## CNY Rotary News

### CNY Rotary Nominations Now Open

**Nominations Now Open for CNY Rotary Leadership Positions** The CNY Rotary Steering Committee has opened up nominations for several leadership roles on the future team and all qualified members of Districts 7150, 7170 and 7190 are encouraged to put their name in the hat. All submissions will go through the CNY Rotary Nominating committee, which is comprised of the three Immediate Past District Governors (who cast one vote in the case of a tie), the three District Governor Elects, three Assistant Governors, three immediate Past Club Presidents, three Past District Governors and the three sitting District Governors are non-voting members. You can see that there are three of each position, with one hailing from each of our current three districts.

**CNY Rotary President (formerly known as District Governor)** We are seeking nominations for the President of CNY Rotary for 2025-26 and this can happen one of three ways:

- 1 – Your club can nominate you (with your approval)
- 2 – You can go to your club to ask them to nominate you
- 3 – The nominating committee can nominate someone directly (with their approval)

The basic qualifications for the role are that you must have been an active member for at least seven years before your term begins and you have to have served a full year as club president. Details on the nominating process, a job description, and answers to Frequently Asked Questions about being President, as well as the necessary forms are all available at [www.cnyrotary.org](http://www.cnyrotary.org) under the Nominations tab. If you are considering this position, you can reach out to anyone on the Steering Committee to discuss if it would be a good fit for you. It is a serious leadership position, and you should know what it will entail before stepping up. It will also be a seriously rewarding experience!

**CNY Rotary Committee Chairs** Several committee chair positions are also open to nominations during this time: Finance, Foundation, Youth Exchange, Public Image, Membership, Training, and Diversity, Equity and Inclusion. Each of these roles require some Rotary experience in that area of expertise and come with opportunities for additional training. For these positions, you can self-nominate or have someone nominate you. Please do not nominate people without their permission. The nominating committee will be going through all submissions for these roles, with the top candidates to be interviewed by the CNY Rotary Steering Committee later this month. Check out the Nominations tab at [www.cnyrotary.org](http://www.cnyrotary.org) for job descriptions and the online form for nominations.

**Nomination Deadline is May 15** The deadline for clubs to nominate a CNY Rotary President or for someone to nominate themselves to a chair position will be Monday, May 15<sup>th</sup>. This is because the goal is to have all positions filled by the start of the new Rotary year. This gives the new volunteer leaders time to plan for attending training in the fall and to start work on building the rest of the committee. Each committee will now be bigger and that means many more opportunities to serve. If none of the roles described here sound like you, but you know you want to help at the district level, please keep following along because the call for you to get involved will be going out in the next phase.

- Lizzy Martin, Baldwinsville Rotary Club Secretary, CNY Rotary President 2024-25

**Date:** Tuesday May 9<sup>th</sup>, 2023

**Time:** 3:00 PM Until 6 PM (Or Sold Out)

**Location:** 1326 Upper Front Street Binghamton, NY 13901 (by Lowe's)

**Chicken Dinner:** \$15.00 includes a half chicken, baked potato, macaroni salad, dinner roll & butter, hinged container and plasticware kit

Proceeds are used to fund our local charitable donations and our Rotary Youth Exchange program.

## Cortland Breakfast Rotary

April is Spring Clean Up for Seniors at CBRC, and the five teams scurry for the honor of winning the coveted "Dirty Hoe". Two days after the start, President Elect Don Richards announced that his team was done! Being the honest gent that he is, Don said that he had help from two of his employees from Complete Construction Concepts.

Barely a week later, Team Reisweber claimed the win as the first totally Rotary team to complete its Clean Up.

At the same time, the winners of the previous two years, Conrad Janke and Mike Eves, claimed a medical deferment. With the addition of Bob Martin, Kathie O'Mara, and Terry Cahill—how could they lose?

After sifting through claims of fair wage labor, open container law, unauthorized tools, and others, Chairman Jeremy Boylan, with the help of the East German judge, awarded the "Dirty Hoe" to Team Richards.

Great job everyone!

- Conrad Jenke

## Deposit Rotary

The Deposit Rotary Club hosted its annual Easter egg hunt on Saturday April 8th @ the Fireman's Park in Deposit, New York.

We had a record crowd with more than 80 eager and excited kids and their parents. Also, the Easter Bunny made a special appearance.

Besides candy in the 2000 eggs, some were filled with gold coins, two-dollar bills and we had 23 golden eggs that had a special ticket inside for a prize.

We look forward to this event every year and enjoy giving back to our community.

- Brenda Lee

## Ithaca Rotary & Ithaca Sunrise Rotary

Mary-Lynn and I were absolutely delighted with the excellent turnout of highway cleanup volunteers and want to thank you so very much for taking time to participate in this Earth Day project! Your participation was genuinely appreciated, and we made good progress on removing lots of trash from the highway. With Rotarians from the Sunrise Club, the Cornell Rotaract Club, our Rotary District Governor, Rocky Martinez, community volunteers and organizations like Zero Waste Ithaca, we had a total of 38 people who collected trash in 69 bags. Special thanks to Jim Johnston and Jeff True for providing vehicular support during the cleanup, Heidi Goldstein and Chris Haase (Sunrise Rotary) for staffing our home base headquarters and Joanne Lamoureux for baking those delicious muffins and providing drink for everyone.

On arrival, one person said, “Oh, you don’t need me, you have such a good turnout today.” Well, we really needed everyone, as we did a great job on sections of the highway that we haven’t gotten to in quite some time; even with all the effort, we still left trash on some sections of the highway. It is a huge task, and many hands make the job light. Thank you again for devoting several hours of your Saturday to participate in this important project.

- Bob Gravani

**[Thirty-eight] highway cleanup volunteers collected trash in 69 bags** at the semi-annual Rt 13 Highway Cleanup sponsored by Ithaca Noon and Ithaca Sunrise on Earth Day! Rotarians were joined by members of the Cornell Rotaract Club, DG Rocky Martinez, an Ithaca College student interested in starting a Rotaract Club, a youth exchange student, community volunteers and members of local organization Zero Waste Ithaca. Rotarians Chris Haase and Heidi Goldstein coordinated the check-in station and Rotarians Jeff True and Jim Johnston drove up and down the road for almost three hours, handing out bags, water, good cheer, and providing an extra eye toward safety. Rotarian Joanne Lamoureux provided homemade muffins and drinks that disappeared faster than the trash.

The very successful cleanup started with words of motivation from Liz Kreitinger, Watershed Steward and Executive Director of Cayuga Lake Watershed Network, who reminded us that roadside ditches and drainages are waterways, and that our positive impact on the road has a direct benefit to the quality of Cayuga Lake. The Cayuga Lake Watershed Network has been collaborating with community groups to keep our waterways clean since 2009. The 870-square-mile Cayuga Lake watershed extends across Cayuga, Seneca, Tompkins, Schuyler, Tioga, and Cortland counties.

Liz provided handouts that may be of interest to all Rotarians, as everyone lives in a watershed! Visit these pages to check it out:

## Morris Rotary

We had a wonderful turn out on Earth Day April 22 for the Morris Rotary Club, Butternut Valley Alliance, and MCS Science Club Roadside and Community Cleanup. Our Club was joined by some members of SUNY Oneonta's Geology Department along with fifty other community members. Thirty-three bags of trash were collected along with an old washer and dryer that we pulled out of a ravine. We also collected a trailer full of Styrofoam, small electronics, plastic film, and other recyclables that will be transported for future recycling. In addition to the highways, we got tires cleaned out of the creek and we helped the Morris Beautification Project maintain their supply garden. The tires will be re-used in the pollinator garden on the future walking trail.

It was a great turnout from the community and a fun time! The Morris Rotarians who helped were John Bugyi, Matt Palmer, Mike Virgil, Matt Sheldon, Jamie Maestros, and Beth Child

There were a number of elementary students present representing their self-run "Environmental Club". They had a few posters on display to encourage smart choices for a cleaner environment. They also had prepared a roadside clean up scavenger hunt, motivating participants to try to find at least one of everything on the list (empty can, plastic bag, candy wrapper, plastic straw, etc.). One of the students was handing out the scavenger hunt form and explaining it to participants. Someone asked her what the prize was and who could win. Without missing a beat, the student answered, "the winner will be the Earth, and our prize will be a cleaner planet."

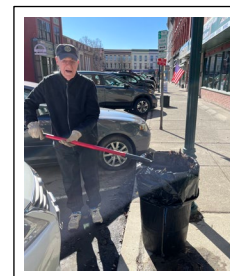

Thank you to everyone for such a successful Earth Day cleanup!

## Owego Rotary

Excited at the first appearance of spring, on a quiet Sunday morning Owego members put on their gloves and grabbed shovels and bags for a very necessary clean sweep of winter debris from the downtown shopping area curbs and sidewalks. Shoppers as well as shop keepers are loving the new clean look.

It was no April Fooling, on April first, that Owego Rotary was one of the approximately 20 organizations invited to set up free games and activities for the more than 200 children and their families at the Easter Egg Hunt event in nearby Nichols, NY. In addition to gathering the more than 3,000 eggs spread in the fields, the games and activities made a full morning of family fun.

Our good partner organization, Tioga County Historical Museum, receives our thanks for letting us use their fun, old-fashioned games - no electronics or screens. Children of every age had a blast taking the challenge to land Frogger on a lily pad and roll the ball down the twisty road at Crazy Driver.

We all had so much fun, and it cost families nothing for a full morning of child-centered activities. We can't wait to do it again next year.

### Save the dates:

1) Friday, June 16, 2023, 5PM - 9 PM (with fireworks following) and Saturday, June 17, 2023, 9 AM - 5 PM, Owego Strawberry Festival, downtown Owego, NY - Get a serving of Owego Rotary's strawberry shortcake, topped with lots of whipped cream

2) Sunday, August 13, 2023, second annual great Owego Rotary Croquet & Bocce Ball Challenge, 12 Noon - 3:30 PM at Canawanna Nature Preserve, Owego, NY. Open to all Rotary Clubs in District 7170. \$25 per person to play. Benefit Owego Rotary Projects, Inc. [a 501(c)(3)]

## Trumansburg Rotary

**Trumansburg Rotary's Rte 96 roadside cleanup again occurred on "Earth Day"**, which might be the 12th year we have "made the world a little nicer" one half mile at a time.

Our effort coincided with the entire Village doing their bit; cleaning up other stretches of roadway, composting, displaying EVs and sharing energy saving ideas.

The weather was perfect, not too hot and not too cold, with bright sunshine. One hour later we had collected 7 bags of trash. Pictured from (R-L) Rotarian organizer Mary Bouchard and Kathleen Overbaugh, Zoren Bullock, Shelly Bullock, a wannabe, Michael Jimenez, and 3 more wannabes. 😊

**Trumansburg Club's 3rd annual rubber duck race will be held Saturday, May 20**, starting at 1pm in downtown Tburg so save the date and mark your calendar!

Pictured are last year's thousand plus duckies being dropped into the creek from the Rte 227 bridge, Rotarians Cindy Kain and Peggy Haine selling last minute tickets, and Rotarian Zoren Bullock with the crowd at the Rte 96 bridge finish line.

This is definitely a family friendly event, the kids are excited by the hundreds of miniature Duck give-a-ways in their hands and Bo Lipari has played his ukulele to lead the crowd in multiple renditions of “Rubber duckie I love you...” sing along.

Once again, we expect the creek to cooperate with enough water to float the ducks, the sun to shine and the temps to be pleasant. Uncooperative or distracted ducks will again be herded to the finish line by Rotarian Angel Stillions and a squad of neighborhood kids.

This year, proceeds will help fund the Trumansburg Food Pantry; last year the bulk of the proceeds were given to the Fire Dept to help purchase new, portable jaws-of-life. The first, second and third place ducks win \$250, \$150 and \$50 respectively for their owners. Tickets are \$5 each or 5 tickets for \$20 and can be purchased from your favorite Tburg Rotarian.

Note: May 20 is a “two fer” as it is also the Village yard sale date so you can use your duck race winnings to buy a Tburg treasure before returning home. 😊

## Rotary Peace Fellowship

**Applications for the 2024 [Rotary Peace Fellowships](#) are now available!**

You can help promote peace in the world by encouraging peace and development leaders in your community to apply for the Rotary Peace Fellowship.

Each year, Rotary awards fully funded fellowships for peacebuilders from diverse backgrounds to study at one of our peace centers located at premier universities around the world. This year, we'll select 50 peace fellows to study in our master's degree programs and 40 fellows to earn a professional development certificate.

Rotary Peace Fellows use their training to amplify their work at the local, regional, or global level. Clubs and districts can partner with them on peacebuilding initiatives before, during, and after their fellowships.

But we need your help finding candidates. Rotary and Rotaract members can get involved by:

- Taking the [All About the Rotary Peace Fellowship](#) course to learn about the qualification criteria, eligibility restrictions, the application process, and more
- Forwarding the [fellowship announcement](#) to your contacts and including it in club and district communications
- Using our [referral form](#) to tell us about potential candidates so we can contact them
- Sharing a [PowerPoint presentation](#) about the fellowships with your club members and community
- Following the [Rotary Peace Centers Facebook page](#) and sharing our posts

**Candidates have until 15 May** to [submit applications](#) to The Rotary Foundation.

Thanks to generous support from donors and the dedicated participation of Rotary members, the peace fellowship program has more than 1,600 alumni working to make positive change in more than 140 countries.

To learn more about how you can recruit the next generation of peace fellows, contact your district Rotary Peace Fellowship subcommittee chair or write to [rotarypeacecenters@rotary.org](mailto:rotarypeacecenters@rotary.org).
