## **Welcome To The Rotary Foundation Minute**

This week's Rotary Foundation minute touches on the funds someone can donate to at The Rotary Foundation.

### **Rotary Foundation Minute**

Are you inspired to donate to The Rotary Foundation but confused about how to do it? You are not alone. The Rotary Foundation has a wide array of programs you can donate to, and multiple ways to donate. This minute will help (hopefully.)

The easiest way to donate to The Rotary Foundation is to visit [rotary.org](http://rotary.org) and then click the donate button. Once you get through to the donation page you will be presented with a number of options. The most important thing to remember is that you should choose Annual Fund-SHARE if you want your gift to come back to fund district projects. You can also choose the PolioPlus Fund and the Disaster Response Fund. If you login to your myrotary account, much of the rest of the donation form will be prepopulated with your contact information.

Still have questions about donating? Feel free to contact Foundation Chair PDG Zoë at [zoe@unadillarotary.org](mailto:zoe@unadillarotary.org) anytime.

Until next week,  
PDG Zoë  
Rotary District 7170 Foundation Chair  
Rotary Club of Unadilla, NY
