

The Foundation Newsletter

September 2020

Paul Harris Society

We all know organizations/causes that we feel deserve our financial support. Maybe for you it is your church, perhaps an organization where you serve as a board member, for another it may be a local not-for-profit that provides a service that has a special meaning. For whatever the reason, we all have our callings that make us want to support the endeavors of organizations.

So why give to **The Rotary Foundation**? We know the wonderful things that have been accomplished across the world by the Foundation...providing water where they was none, supporting businesses where women could not own a business, providing education where there was only desperation, bringing shelter to those who have been devastated by natural disasters...the list goes on and on.

We all joined Rotary to be part of the world-wide organization whose mission is "service above self" and we all follow that credo in various ways every day. By supporting **The Rotary Foundation**, our donations, no matter how small, combine with everyone else's donations to make a huge difference in today's world. You can make your donations through monthly/quarterly automatic debit to your bank account or to your credit card. Your donation can make a huge impact.

For those to whom it is possible, becoming a **Paul Harris Society Member** is a special commitment to donate \$1,000 every year to the Foundation. Not everyone can make that commitment, but I ask you to consider the possibility. For an automatic donation of only \$84. a month (less than \$3. a day) you can be a member of the most prestigious organization of supporters of the Rotary Dream. Please give your donation to **The Rotary Foundation** careful consideration as you plan your annual giving this year.

Yours in Rotary.
